

Leaving home checklist

The checklist below provides you with a list of the basic things you may need when moving into your new accommodation. Some things may already be provided so make sure you ask what is or isn't provided so that you know what you need to get.

Some items can be expensive to buy from new. So make sure you check out the local charity and second hand shops, furniture recycling schemes, car boot sales, jumble sales etc.

Things you may need	Provided in accommodation?	Need to buy?
Kitchen
